Franklin's **Psychiatric Solutions Inc.** has made Fortune magazine's list of the Top 100 Fastest-Growing Companies for the fourth straight year.

PSI (NASDAQ: PSYS) is the only Tennessee company on this year's list.

PSI, the largest operator of psychiatric inpatient facilities in the country, ranked No. 98 on the list. The list takes several factors into account, including revenue and earnings per share growth rates. Last year, PSI ranked No. 64. In 2007 and 2006, it ranked No. 49 and No. 34, respectively.

"This is a testament to the hard-working people we have at PSI and our facilities nationwide," says Joey Jacobs, CEO of PSI. "This is a testament to the hard-working people we have at PSI and our facilities nationwide."
